

We Need Your Help!

Family Promise - IHN

Week

June 28 – July 5

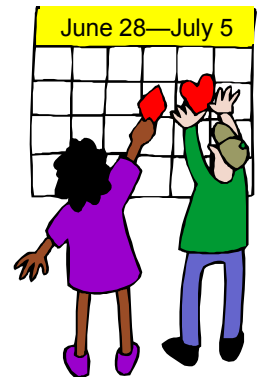

Come have fun with our guest families by either preparing a meal, serving a meal, spending time in the evening or staying over-night.

Urban Ministries are the heart of Government Street Presbyterian Church. The Inter-Faith Hospitality Network program proves time and again how fellowship and even as little as an hour of volunteer time, radically impacts and helps bring about change to a family's situation of homelessness.

Come help out!

Sign-up on Sunday morning at the table in the church foyer with the Big Calendar on it!
