

September 9, 2009

Dear Urban Mission Camp Inquirers,

Thank you for your interest in our 2010 Urban Mission Camp experience. Located in downtown Mobile, Government Street Presbyterian Church (GSPC) has ministered to this community for generations. For over twenty years, this congregation has welcomed youth and adults throughout the PCUSA, and provided life-changing experiences through its Urban Mission Camps.

Through GSPC's Urban Mission Camp, campers will:

- Bear witness to the good news of Jesus Christ through service to urban poor
- Learn about urban issues and the Christian faith from those they serve.
- Reflect on poverty issues in light of Biblical and Reformed understandings of Christian faith.
- Live together and build Christian community
- Experience the connectional foundation of the Christian community and the PCUSA
- Grow spiritually through group and individual worship and devotion

Campers will reside at Baytreat, GSPC's conference center (newly renovated!), located on the eastern shore of Mobile Bay, thirty minutes from downtown Mobile, Alabama. Campers arrive Saturday afternoon, worship and recreate Sunday, work Monday through Thursday noon at a variety of mission sites, enjoy Thursday afternoon at the beach and dinner at a local restaurant, and depart Friday following breakfast and clean-up.

I am providing on-site leadership for the Urban Mission Camps, as well as planning and publicizing them throughout the year. During the summer, I will support the mission teams as they live in community, travel to their work sites, and worship and reflect at the end of each day.

The deadline for sending in your initial registration form and deposit (\$100 per camper) is February 26. The initial deposit is required in order to reserve a week for your campers. The total cost per camper is \$230 and includes six nights lodging, sixteen meals, and a commemorative T-shirt. With this in mind, please send in your registration and deposit as soon as possible. Please check out our website http://www.gspcmobile.org/Urban_Missions/UrbanMissionsPage.htm to see pictures of the newly renovated facilities and for updated information about who is coming when (click on the "View Available Weeks" link). Should you have any further questions, please do not hesitate to contact me. We look forward to receiving your registration material and deposit check soon!

Sincerely,

Scott Spence
Seminary Intern, Director of Urban Mission Camps

Urban Mission Camp Usage Information Registration and Facility

Urban Mission Camps are limited to a total of thirty-two campers (which includes both youth and adults). You may bring less than 32 campers with the understanding that your group may be combined with another group to fill the camp week. Urban Mission Camps are designed **for high school and college age students**. Typically, campers must be at least rising ninth graders. However, special arrangements may be permitted for middle school campers if petitioned and approved by the GSPC Urban Ministry Committee and the local organizations involved in the program.

Our Summer Camp Director relies on the adult advisors to see that their youth are participating and following the schedule. The advisors will be expected to participate fully and provide leadership and guidance. **We ask that advisors be at least 25 years of age** (age limit does not apply to church employees), and that an advisor of each gender be present for groups that consist of both genders. We ask that you have **one advisor for every seven campers**.

The cost per Urban Mission Camp Participant is \$230. The \$230 covers six nights of lodging, sixteen meals (Saturday evening through Friday morning, except for dinner out on Thursday evening) and an Urban Mission Camp tee shirt. Groups are responsible for providing their own transportation and gas throughout the week. **Vans are preferred over buses for transportation, as it will be difficult to reach Baytreat and get around Mobile during the week in a bus.** We can provide information for groups that need to obtain rental vans while at Urban Mission Camps.

Baytreat has been a special place for GSPC since the 1960s; therefore, we expect our members and guests to join us in being good stewards of the building and property. Baytreat is a smoke-free, alcohol-free and drug-free facility. Please be aware that that our facility is located in a residential neighborhood in Point Clear, AL, and we are committed to being good neighbors, which means respecting boundaries and keeping the noise down. A facility deposit of \$150 is required of each group to cover any damage incurred while staying at Baytreat. We fully anticipate that this deposit will be returned to you.

Because of the large number of requests we receive and the limited number of available weeks, please note the following deadlines and cancellation policy:

\$100 per participant deposit	due February 26, 2010
\$130 per participant balance	due April 30, 2010
\$150 facility deposit*	due April 30, 2010

*Separate check for facility deposit, please!

Cancellations: A full refund of deposits shall be made if cancellation notice is received IN WRITING by April 30, 2010. No refunds will be made after that date, unless we are able to completely fill that week with another group.

Please make all checks payable to Government Street Presbyterian Church, and mail all registration forms and payments to:
