What We're About!

The Children's Ministry of Government Street Presbyterian Church seeks to walk beside children and their families as we nurture one another in the faith.

We invite all Children from nursery to 5th grade to take part in our exciting, safe, and joyful program. There is something for all ages on Sunday morning during the 9:30-10:30am Sunday School Hour. Children typically begin with Choir at 9:30am and then head into their Sunday School Lesson at 10:00am.

During the worship hour, children ages 3 years old - 2nd Grade are invited to join in WEE Worship at 11:15am in the Children's area.

For older elementary children we have Club 3, 4, 5 which is for children in 3rd, 4th, and 5th grades who are seeking to have fellowship, service, and mission together as a group. This is great preparation to their Youth Group experiences.

We also have special events for Children of all ages, to join with the whole GSPC family in fun!

The nursery care at GSPC is staffed by two trained and highly qualified nursery caregivers, as well as church volunteers each week.
