

## Baytrear Mission Camp 2022: *Come to the Waters* – General Information

### **Target Age Group:**

9<sup>th</sup> – 12<sup>th</sup> Grade

### **Adult Advisors:**

The Baytrear Mission Camp Director relies on adult advisors from your congregation to see that youth participate and follow the schedule. Your congregation's adult advisors should expect to fully participate in mission activities and provide leadership and guidance throughout the week. Advisors must be at least 25 years old (*age limit not applicable to church employees*). An adult of each gender must be present for mixed-gender groups, and one adult advisor per every seven campers must be present.

### **Group Size:**

Baytrear Mission Camp accommodates group sizes from eight to 28 (including both youth and adult advisors). Please note that groups of 15 people or fewer are accepted with the understanding that we may combine your group with smaller groups from other congregations to assure a rich experience.

### **Location & Transportation:**

GSPC hosts Baytrear Mission Camp from its historic Baytrear facility on the eastern shore of Mobile Bay – <https://www.gspcmobile.org/baytrear>. Camp participants will transit daily to the city of Mobile to partner with our mission work sites, and they will return to Baytrear in the early evening. **Congregations must provide their own transportation and fuel. GSPC cannot provide group transportation.** Our mission partners' work sites in Mobile are typically a 45-minute to one-hour drive from Baytrear, depending on the traffic crossing over the Bay. The Baytrear Mission Camp Director will provide detailed directions and ride along with the camp groups each day.

### **Program Schedule:**

Our 2022 program begins June 4 and operates through July 22. (No camp will be held the week of July 4.) Each camp runs for one week, with campers arriving on Saturday evening and leaving the next Friday morning. Participants begin each day around 6:30 a.m. and go until 10 p.m. This active schedule includes service activities with our mission partners, spiritual reflections in the mornings and evenings, and recreation time. Finally, included in the week's schedule is a half-day visit to Alabama's beaches on the Gulf of Mexico.
